Subject: Advice for Telecorp correspondence
Importance: High

Hi Belinda,

I need to draft a response to correspondence recieved from Anil Sharma of Telecorp (letter attached for your information).

<< File: Telecorp letter.tif >>

The letter refers to an investigation into certain promotional flags that you have been involved in. Anil Sharma has requested assistance from WorkCover to scientifically test these flags (I don't understand what this is about).

Could you please advise as to what the issue is about and whether a meeting should be arranged. I would appreciate it if you could get this advice to me by Friday 23 September to allow me to draft the response.

Feel free to contact me, should you have any questions.

Regards,
