Dear Mr Hadley

I am writing an article in relation to your deal with the NSW Attorney-General Greg Smith regarding the convicted paedophile Father Finian Egan.  
The questions are:

1. The Supreme Court of NSW has informed me that the defamation proceedings instituted against you by Greg Smith were discontinued on the 16<sup>th</sup> April 2013 with no orders to costs. Can you tell me what is the deal you did with Greg Smith to have the proceedings discontinued.
2. Why have you not made a public statement in relation to the proceedings being discontinued and your deal with Greg Smith.
3. Do you agree that the deal makes you a "Jelly Back". That being a person who is "All talk and no action"

Your urgent response is requested as I am working on a post with the working title *"2GB host Ray "Jelly Back" Hadley does sleazy deal with NSW A-G Greg Smith regarding paedophile priest"*. I did contact your assistant Sophie Baird on Wednesday and left a detailed voice mail. She did not respond.

Regards
