## AFFIDAVIT

Name Richard Michael Keegan  
Address Level 12, 60 Carrington Street Sydney NSW 2000  
Occupation Solicitor  
Date 17 April 2014

I say on oath:

1. I am a solicitor of Addisons ("**Addisons**") solicitors for the plaintiffs. Subject to the supervision of Martin O'Connor, who is the partner on the record, I have carriage of this matter.
2. I believe that the contents of this affidavit are true and correct.

### **Defamation proceeding 2014/14469**

3. On 14 April 2014, his Honour Justice Harrison made orders in this proceeding. Annexed to my affidavit and marked "**A**" is a copy of the orders made on 14 April 2014.
4. Attached to my affidavit and marked "**B**" is a copy of an email sent to the defendant at 4.50pm on 15 April 2014.

### **Telephone call with the defendant on 15 April 2014**

5. At approximately 4.55pm I telephoned the defendant on mobile number 0411238704 and had a conversation with the defendant (SD) in words to the following effect:

SD: Shane Dowling

Me: Mr Dowling, my name is Richard Keegan and I'm calling from Addisons, a law firm in Sydney. Do you have a moment for a brief word?

SD: Yes.

Me: I am a solicitor with Addisons and I am calling to let you know that I have just emailed you some documents. Court proceedings have been commenced against you by a partner of Addisons, Justine Munsie and Kerry Stokes, both of whom Addisons represents. The proceedings have been commenced in the Supreme Court of NSW.

SD: Over what?

Me: The proceedings relate to an article you have posted on your website in which you accuse both Justine Munsie and Kerry Stokes of lying in relation to an AFP raid on the Seven Network. It is highly defamatory and completely false.

Richard Michael Keegan

SD: I don't remember the article.

Me: Well it is still on your website.

SD: I haven't received a letter or a notice about the article.

Me: That's right we haven't written to you about the article. We are not obliged to write you a letter. We have written to you before about an article you have written about Kerry Stokes and despite the letter being marked 'Not For Publication' you put the letter on your website and did nothing about the article.

Me: You should also know that there is a suppression order over the proceedings which prevents you from disclosing that proceedings have been commenced against you.

SD: What? Is this a third world dictatorship.

Me: The orders made are in place until Thursday and you're required to attend court and you will be able to present your argument to the court as to why the orders aren't appropriate.

SD: Who are you again and who are you representing, Channel Seven?

Me: No. I'm not acting for Channel Seven. I am an employed solicitor from Addisons and Addisons acts for Justine Munsie and Kerry Stokes in this proceeding. The proceeding has nothing to do with Seven. I am an employed solicitor of Addisons and the partner supervising me is Martin O'Connor.

SD: Why didn't I get told about this?

Me: We approached the court and sought orders from Justice Harrison. The material that was before his Honour is in the email that I've sent you. There are quite a few documents, four or five. You'll see the relevant information in the affidavit.

SD: This is a third world dictatorship.

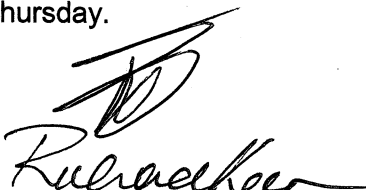

Me: The orders that have been made are interim until you come before the court on Thursday. His Honour is expecting you to be there. You are able to put your argument then.

Me: The article about Ms Munsie and Mr Stokes is clearly defamatory.

SD: Can't really remember it – but they are usually brutal articles. No one contacted me or wrote me a letter. That is the normal thing that happens.

Me: No we didn't contact you about it but we are not required to. This was explained to the Judge.

SD: I will have something to say about that on Thursday.

  
Ruckelshaus

Me: You are entitled to do that and that's why the orders made by Justice Harrison run up until Thursday.

SD: What can I say about the proceeding?

Me: You need to read the orders very carefully. You know your way around courts. The orders are very clear and they prevent you from disclosing the existence of the proceeding.

Me: Are the orders made by the Supreme Court? Are they stamped?

RK: Yes. You will see that from what I've emailed.

SD: I will have a look at them. I can't even tell my lawyers?

Me: You are entitled to seek legal advice and you should. I have put that in my email to you. You should ask your lawyers to call me if they want to discuss.

SD: I represent myself.

SD: How can these orders be made?

Me: We are entitled to ask the court to make the orders.

SD: This is not some third world dictatorship.

Me: You can explain your position to the Judge on Thursday.

SD: I can say that I am being sued. What names are on the court documents?

Me: I'm not here to give you legal advice. I think you understand that. It is pretty clear you can't do anything like that as you would be in contempt of the orders which as you know is a serious matter. What you do though is a matter for you but you should look at all the documents I have emailed you.

SD: The names are on the court documents.

Me: You need to look at the orders. The defamation action concerns the articles you have written. If you or your lawyer want to discuss it then let me know. There might be a way that we can negotiate a way to resolve it. The hearing is at 12 noon on Thursday before Justice Harrison, I think is it court 10B but you'll have to check. You have my phone number and email address.

SD: I won't have a chance to look at it tonight as I'm about to go out, I will look at it tomorrow.

Me: OK. Goodbye.

## KERRY STOKES HAS SUPPRESSION ORDER PUT ON DEFAMATION PROCEEDINGS AGAINST KCA PUBLISHER

Seven West Media Chairman Kerry Stokes has instructed a judge of the NSW Supreme Court, Justice Harrison, to put a suppression order on defamation proceedings that Kerry Stokes has instituted against me, Shane Dowling, and this website, Kangaroo Court of Australia. The matter is listed for court again on Thursday (17/4/14) at 12pm at the Law Courts Building in Sydney.

The suppression order issued by Justice Harrison is one of the most dangerous documents I have ever read. It in effect says that I cannot tell anyone anything about Kerry Stokes's proceedings against me and I have to show up to court on Thursday.

The proceedings above happened without my knowledge or consent on Monday (14/4/14) at the Supreme Court of NSW. Justice Harrison failed to give any written reasons for his decision to issue the suppression order which supports the argument all he did was take instructions off Kerry Stokes's lawyers, one being Justine Munsie who is also the author of Mr Stokes affidavit.

Another of Kerry Stokes lawyers, Richard Keegan, told me yesterday (15/4/14) that Justice Harrison or Kerry Stokes lawyers (Addison Lawyers) could have phoned me before the hearing but deliberately did not. In fact Kerry Stokes and Justine Munsie give a reason of why they deliberately did not contact me at paragraphs 32 – 36 of their affidavit as they were worried I would do a post and report it. Kerry Stokes has been caught closing down the media.

This is clearly a denial of natural justice by Justice Harrison and when you look at the facts Justice Harrison has committed the criminal offence of helping Kerry Stokes attempt to conceal his previous perjury in the C7 matter which I have previously written about.

### Background

The defamation proceedings by Kerry Stokes and Justine Munsie relates to a post I published on the 23rd February 2014 titled "Kerry Stokes, Channel 7 and lawyer Justine Munsie caught lying in the Schapelle Corby matter" (Click here to read the post) This is on top of a previous defamation threat by Mr Stokes in 2011 which he failed to follow through with.

The reason Kerry Stokes says he needs a suppression order now is that he sent me a threatening letter in 2011 and said on the letter "Not for publication". I ignored the letter and did not contact Kerry Stokes and scanned the letter in and published it. Mr Stokes in effect says he does not want me to disobey his order again. I am not joking, read the affidavit at paragraph 32 to 35. (Click here to read) The problem is that has nothing to do with the court and Mr Stokes does not run this country.

### Kerry Stokes previous threat in 2011

In 2011 Kerry Stokes threatened me with defamation via his lawyer Justine Munsie for a post I published on the 23 May 2011 titled "Kerry Stokes, Seven Group Chairman and Australia's number one perjurer, has been charged with contempt of court". (Click here to read the post)

The threatening letter from Munsie came on the 26th May and I published a post the same day titled "Kerry Stokes threatens legal action against blogger" (Click her to read the post)

I never heard from Stokes and Munsie again because there was nothing they could do. If you Google "Kerry Stokes false evidence" it comes up everywhere such as the SMH – Herald Sun – ABC. An example being:

"A FEDERAL Court judge has accused Seven Network boss Kerry Stokes of giving "deliberately false" evidence in his failed C7 pay TV case and condemned the action's \$200 million legal bill as a "scandalous" waste." (Click here to read more)

The judge who said Stokes gave "deliberately false" evidence is Justice Ronald Sackville who was a Federal Court judge at the time and who is now an acting judge at the NSW Supreme Court. Justice Harrison should have a talk to Justice Sackville if he wants to know what Kerry Stokes is like.

Someone who gives "deliberately false" evidence is a perjurer so it is fair and reasonable for me to call Stokes a perjurer. If it was not, Kerry Stokes would have followed through with his previous threat of defamation proceedings. He has the means to do so and the legal costs are nothing to him.

It is interesting that on the 17th March 2013 I published a post titled "Kerry Stokes, Australia's number one perjurer, also becomes the number one bribe taker if new media laws passed" (Click here to read the post) and I never heard anything from Stokes or his lawyers.

It is my understanding you have 12 months to follow through with defamation proceedings so Mr Stokes has no claim on the previous posts. This should have sent the alarm bells ringing with Justice Harrison when Stokes asked for the suppression order as his previous threat and failure to follow through is in their affidavit.

**Documents – Make sure you save a copy**

Affidavit of Justine Munsie and Kerry Stokes (Click here to read) Yes that is right, one affidavit for two people. It is worth noting they have written to Google, because if you Google Kerry Stokes one of my posts shows up on page 2. They say this in paragraphs 11, 12 and 13 of their affidavit.

Court Orders: (Click here to read) It reads as JM and KS v SD so no one knows who we are. Keep that in mind if you come to court to watch as that is all it will have on the court list I assume.

Notice of Motion (Click here to read) Statement of Claim (Click here to read)

Exhibits (Click here to read)

Nowhere on court orders does it say that I can show a lawyer the documents to get legal advice. It shows Justice Harrison thinks he is above the law and can do what he wants as he knew the documents were not being sent to a lawyer but being emailed to me at home.

**Yesterday (Tuesday 15/4/14)**

I received a call yesterday (15/4/14) at 4.57 pm which lasted 14 minutes from a person who identified himself as Richard Keegan from Addisons Lawyers. He said he was the contact person but the partner at the firm looking after the matter was Martin O'Connor. I knew who they were from my previous dealing with Munsie. He said he had sent me an email with attachments and there was a suppression order on them and I had to be in court on Thursday. I asked him when they got the order and he said Monday. I asked why they did not let me know about the hearing and why did they not send me a concerns notice (a letter of complaint). He said because last time they sent me a letter it had "not for publication" written on it and I ignored their order and published it so they did not want to give me the chance to do it again.

Kerry Stokes failed to follow through last time as he cannot afford to hop in the witness stand and be cross-examined on his perjury and his claim is frivolous and vexatious and clear harassment.

Justice Harrison was appointed a judge of the Supreme Court of NSW in February 2007 by the Labor Party.

Some of the questions that Justice Harrison needs to answer are:

1. Why would Justice Harrison not even try to phone me on Monday to allow me to defend myself? Courts matters are often heard on phone conference calls now days, so it would not have been unusual.
2. One of the orders Stokes is seeking is to take down a post which only relates to the most recent post not the previous posts which are very similar so there could not possibly be any real justification for a suppression order. In fact in the suppression order they do not even ask me to take down the post complained about. I just cannot tell people Stokes is suing.
3. Justice Harrison knows that Stokes and Munsie made threat before but failed to follow through so he should have had major doubts about their claim this time.
4. A blanket suppression order like Justice Harrison has given is a severe action to take. The main protection that I and other bloggers have is the support of our followers and the fact that we can get the message out to the public fast when need be. If I cannot communicate with others and the followers of this site when there is trouble then that protection is gone and it is a clear game of intimidation by Stokes and Munsie that Justice Harrison should never have supported.
5. This sites main focus is judicial corruption and I have to wonder if Justice Harrison has been lined up for payback for this site and me. It sure looks like it.
6. Why the secrecy by Justice Harrison? He is meant to be on the publics payroll not Kerry Stokes.

Kerry Stokes and his lawyers are harassing me and abusing the legal system to do so. For me to do nothing and cop it sweet encourages them to do it to others. Well I am not going to stand for it and Justice Harrison has a lot of questions he needs to answer. I will be making a complaint against Justice Harrison with Chief Justice Bathurst and the Judicial Commission of New South Wales even though I doubt much will come of it as they look after their own boys and girls. But it is always worth going through the process. Harrison is now in the eye of the storm and well and truly on this sites radar.

There is a war going on for a true democracy free of the corruption we see in the media daily and Kerry Stokes is attacking one of the key fundamentals of achieving the gaol and that is free speech and using the free speech to out the corrupt people. The internet is the great equalizer and has empowered us all and Stokes and his kind do not like that.

If I have defamed Stokes he can sue me as he has the resources which most people do not. He tried that last time in 2011 and it did not work so now he is getting very dirty and suppressing free speech with the help of a compliant judge. What I said in the most recent post is no worse than what I said in previous posts so there was no need for a suppression order.

We'll see what happens on Thursday or what action Kerry Stokes and Justine Munsie take.

Please use the Twitter, Facebook and email etc. buttons below and promote this post and let everyone know what Kerry Stokes is up to. If he gets away with it he and others will do the same again when they feel like it.

lots of questions do arise here Shane and I don't have any answers or real comments. I am a litigation lawyer and know that courts tend to be very conservative and easily make orders to maintain the status quo until a full understanding of the facts can be made

I have worked with justice Harrison before he was appointed to the Bench and have appeared before him. He is a fair and intelligent Judge and not one to act rashly good luck with your case

Do you think that ICAC needs to investigate any links or communications between Ian "Justice" Harrison, Stokes, Munsie, Addisons Lawyers? Harrison went to Sydney Uni at the same time as federal communications minister Malcolm Turnbull. They both studied arts and law there. Would they have any other links worth investigating?

Shane, you're dealing with the prophetic systemically corrupt and vicious 'beast' here, may your force be with you....
