Subject: Justice David Davies confirms systemic judicial corruption and urgent hearing request

Dear Chief Justice Tom Bathurst and other NSW Supreme Court Judges

I am writing to you to bring to your attention the systemic judicial corruption confirmed by Justice David Davies and also request an urgent hearing. Justice Davies in effect ratted on every other corrupt NSW Supreme Court judge. Justice Davies also confirmed that NSW Judges have been bribed at least \$2.2 million by the Mafia. I find it rather amusing given the NSW Supreme Court has been badly sucker punched believing they are helping Kerry Stokes in making me take down articles critical of him. Those articles are all still on the internet on such websites as <https://kerrystokes.net/> The only thing the court has achieved is outing corruption within the court. Be that as it may please respond to the below ASAP.

Bribe taking judges

In the interlocutory judgement Justice David Davies handed down on the 4/12/15 he dropped a bombshell at paragraph 20 where he says *“it is the practice of the Court*

where an ex parte injunction is sought as matter of some urgency that reasons are not given.” – Munsie v Dowling (No. 7) [2015] NSWSC 1832

Who are all these corrupt judges who are having secret hearings and not giving reasons? Some of those judges are in my matter Munsie v Dowling:

14th April 2014 – Monday - Justice Ian Harrison – ex parte – Issued a Super-Injunction for Kerry Stokes – It was dodgy and only lasted two days

6th May 2014 – Tuesday – Justice Lucy McCallum – ex parte – Abridged a notice of motion for Stokes – McCallum is a good friend of Justine Munsie – Afterwards Sandy Dawson refused to tell me who the judge was who abridged the notice of motion. Addison lawyers also refused to tell me and Justice Hall also refused to tell me the name of the judge which was Justice McCallum. They were all trying to protect her as she had been caught out acting corruptly.

17th February 2015 – Tuesday – Acting Justice Robert Hulme – ex parte – Issued orders making me take down a post – All the information is still on other sites on the internet

5th June 2015 – Friday – Justice David Davies – ex parte – Issued orders to take down two posts. One was published over two months ago and the other over one month ago and both are whistleblowing articles with government documents showing government corruption involving Stokes and his son Ryan Stokes. The documents are also available on other sites and one is a judgment of the Australian Information Commissioner. Clearly no justification for the ex parte hearing or orders issued.

It must be noted that Justice David Davies did confirm that NSW judges have taken bribes of \$2.2 million off the Mafia. Does anyone reading this know who any of the judges are who received the bribes off the Mafia?

What action will you be taking Chief Justice Bathurst?

Urgent hearing for want of prosecution

The applicants in Munsie v Dowling have failed to prosecute the matter obviously because the matter is so frivolous and vexatious. Justice David Davies corruptly dismissed my defence in December 2015 and instructed the parties to contact the listing judge for a hearing date.

The applicants have made no attempt whatsoever the have the matter listed for hearing and when I have asked them why they refuse to answer. So please have the matter set down for urgent hearing this week for:

1. That the matter be struck out for want of prosecution.
2. That costs, damages be paid to me and a public apology be issued to me.
3. That the court charge Kerry Stokes, Ryan Stokes and Justine Munsie with contempt of court.

Kerry Stokes, Ryan Stokes and Justine Munsie to be charged with contempt of court and attempting to pervert the course of justice

Justine Munsie is an applicant in the matter but she is also being paid to represent Kerry and Ryan Stokes and has even written an affidavit for Kerry Stokes as his solicitor which is scandalous and criminal.

Affidavit of Justine Munsie – Partner of Addisons Lawyers who do substantial work for Channel 7

- 1. I am a partner of Addisons and the first plaintiff.*
- 2. I am authorised by Mr Kerry Stokes, the second plaintiff, to swear this affidavit on his behalf and make this affidavit based on my personal knowledge or else on the information provided to me by Mr Stokes or other employees and officers of the Seven West Media Group, of which Mr Stokes is Chair, and to whom I will refer to in my affidavit, which information I believe to be true.*

https://kangarocourtofaustralia.files.wordpress.com/2014/04/1152787_1_affidavit-of-justine-melissa-munsie-14-01-14.pdf

Justine Munsie is being paid to represent Kerry and Ryan Stokes, is being paid to be an applicant in this matter and is also being paid to write an affidavit on behalf of Kerry Stokes. This is in effect bribing a witness and they should all be charged with contempt of court. The fact that all the judges who have heard this matter have done nothing about Justine Munsie being paid as per above is very disturbing.

Paedophile judges

Justice David Davies also raised the fact that I write about and expose paedophiles in the judiciary. A list of paedophile judges and suspected paedophile judges will be forwarded onto the Royal Commission.

Chief Justice Bathurst can you please have the urgent hearing set down ASAP this week before the duty judge? Either Wednesday, Thursday or Friday will be fine.

Regards

Shane Dowling
