Subject: re: Supreme Court proceedings: 2016/00299522 Capilano Honey Limited v Shane Dowling

Good afternoon,

Mr Dowling, in order to seek orders to transfer the matter to Queensland, it will be necessary to file a notice of motion ([form 20](#)) along with an affidavit in support ([form 40](#)) setting out why Queensland is the proper jurisdiction to hear this matter. There is a filing fee to lodge the motion however it is possible to make an application to postpone the fees on financial hardship grounds and you may [apply](#) to have the fee postponed until the conclusion of the proceedings whereupon it can then be reviewed further.

In the meantime, the matter has been listed for directions at **9.30am** on **7th February 2020** before his Honour Justice Sackar, the Defamation List Judge.

As you are located in Queensland, you may request to appear by telephone at the directions hearing. If you would like to do that, please write to sc.listings@justice.nsw.gov.au setting out your request and the number that you would like to be contacted on. Your request will then be given to the judge for consideration.

Mr Keegan, I will retain the 5 day block from 25 May 2020 in the event HH is minded to set the matter down at the directions listing. My discussions with the Registrar were contrary to the view you expressed in that we felt the matter should be set down once the issue as to the transfer had been resolved. There are hearing fees associated with the setting down of the matter for final hearing that would be negated if the matter is indeed transferred. Added to that is that I remain unaware of whether the proposed hearing date is suitable to Mr Dowling. This can be ventilated at the next listing.

I am very sorry for my delay in not responding sooner.

regards,

Milio

Dear Cesta-Incani

The applicants are running what is known a SLAPP lawsuit to conceal from the public Capilano Honey's food fraud.

I now live in Queensland and both the applicants, Capilano Honey and Ben McKee, are based in Brisbane, Queensland, so the matter should be moved to the Supreme Court of Queensland in Brisbane. The applicants are well aware of it.

As for the matter in NSW. I applied to have the matter heard by jury and that was obviously swept under the carpet by the registry on the instructions of Chief Justice Tom Bathurst and Chris D'aeth because I outed Chief Justice Tom Bathurst and others as being paedophiles. It's an allegation Chief Justice Tom Bathurst has never denied even though he has had many opportunities to do so. Under those circumstances the court

has no option to take it for granted that Chief Justice Tom Bathurst is a paedophile and he is using then court's resources to undermine matters involving me and also previously having me jailed because I outed him as being a child rapist.

Further details are here: <https://kangarocourtsofaustralia.com/2016/09/08/paedophile-priest-gets-3-months-jail-for-raping-3-boys-by-nsw-supreme-courts-justice-hoeben/> and here: <https://kangarocourtsofaustralia.com/2017/02/05/chief-justice-bathurst-has-journo-charged-with-contempt-for-calling-him-a-bribe-taker-and-paedophile/>

It's worth noting the applicants, who have an obligation to prosecute the matter in a timely manner, took five days to respond to your email and then only refer to an email that they sent to you in July 2019.

The applicants also recently took legal action in this matter to conceal from the public their admissions they are selling poisonous and fake honey which once again proves they are running a SLAPP lawsuit.

Regards

Dear Sir,

Thankyou for your response.

I am certainly unaware of the earlier email you mentioned (*hence my follow up*). I must apologise for our lack of reply and causing undue delay.

The available dates I can offer for a Defamation hearing (no jury) to commence on are:

23 March 2020
20 April 2020
25 May 2020
29 June 2020
31 August 2020
23 November 2020
30 November 2020

Otherwise no dates until the 2021 Law Term but essentially you may select the hearing to commence on any Monday from 8 Feb 2021.

Please determine what date is agreed to commence the hearing and advise and we shall list it accordingly.

Regards

Milio

Dear Mr Cesta-Incani

Thank you for your email. The plaintiffs sent an email to Listings on 30 July 2019 seeking a range of dates which were available for a 5 day hearing not to commence before 9 March 2020 but as yet have not received a response. Attached is a copy of that email.

The plaintiffs wish to have the matter listed for final hearing and would be grateful if a range of dates could be provided by the Court, to be considered by parties.

Good afternoon,

The matter has no future listing at this time.

Order 6 of Orders made 26 July 2019 gave the parties leave to approach to obtain a hearing date with an estimate of 5 days not earlier than 9 March 2020. No hearing has yet been fixed.

Is it intended for this matter to go to a final hearing? Have the parties decided on an agreed list of available dates that I may consider so as to set the matter down or are there other factors that prevent a hearing being set at this time?

I await your responses.

Regards

Milio
